FOREWORD

The 1965 Peak Staff of Montevideo High School presents with pleasure this annual to the students of our beloved alma mater. We sincerely hope that in the future when you look at your Peak you will remember Montevideo as the school where life revolves around honesty, friendship, and integrity. Montevideo will always be a part of our lives, and its spirit will follow us in later years.

DEDICATION

MRS. BEULAH COBBS

No more will the Class of '65 pass through these doors as one. As we journey on life's narrow pathway, we will carry with us the memory of one person who has made our high school days more meaningful. Because of her kindness, generosity, understanding heart and guiding hand, we the Class of '65, with love in our hearts, dedicate the 1965 PEAK to Mrs. Beulah Cobbs.

Mrs. Cobbs
Mr. Williams

The Student Cooperative Association (S.C.A.) was organized at M.H.S. during the session of 1952-53 to create student interest in all school activities.

Each student in M.H.S. is asked to take part in elections, committees, and other activities.

S.C.A. sponsored activities such as a magazine campaign, assemblies, and other activities.

The students and faculty have gained understanding through the work of the S.C.A.

(For membership, see page 116)

Selecting students on the basis of scholarship, leadership, service, and character, the National Honor Society strives for perfection in all areas. Our membership consists of 35 juniors and seniors who have achieved and maintained a 3.25 average, where an "A" is 4.

The national organization's objective is "to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of" Montevideo High.

To fulfill these purposes, our chapter awards scholarships to promising seniors who intend to go to college, sponsor the variety show, and publish a literary booklet, **The Maroon Herald**.

The Peakazette serves as a news media of M.H.S. to students and faculty. The staff works long and hard to give recognition to outstanding students and to keep everyone aware of all news—past, present, or future.

Montevideo's newspaper also encourages school spirit by reporting the sports and extra-curricular activities.

All things considered—the gathering of news, dreaded deadlines, painful proof-reading, continuous typing, and the timely marking of the final copy—the paper is usually greeted with "Oh, boy! The Peakazettes are out!!"

FUTURE HOMEMAKERS

The Future Homemakers of America is a national organization of students who are studying homemaking in high school.

The over-all goal of the organization is to help individuals improve personal, family, and community living. There are also eight purposes which emphasize specific parts of this over-all goal.

During the year the F.H.A. has a number of special programs and projects. It conducts school-wide surveys, participates in panel discussions, has a "Daddy Date Night", a Parent-Daughter Banquet, and takes an annual trip.

The chapter has a total membership of 153 girls—making it the largest organization in the school.

OF AMERICA

(For membership, see page 116)

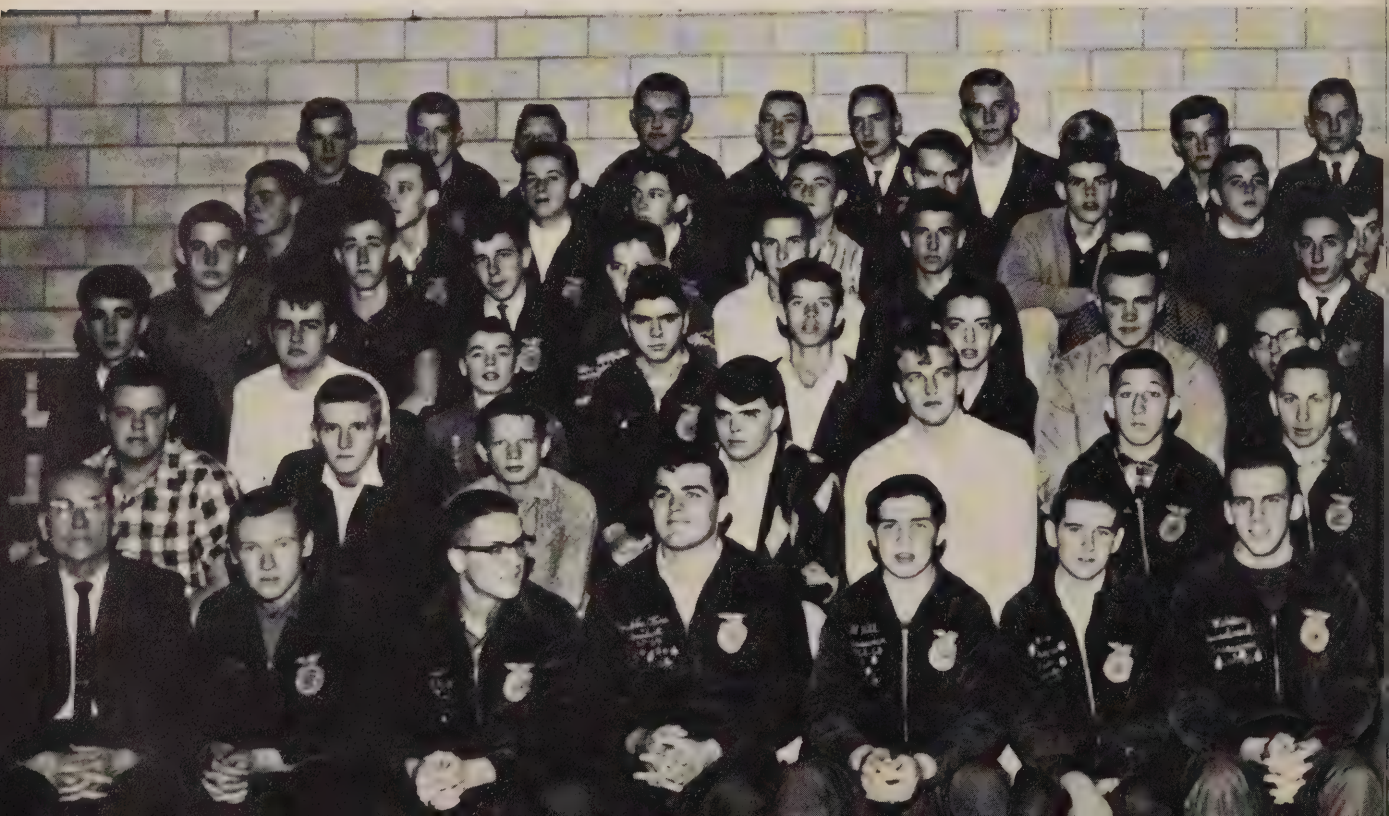

The Future Farmers of America is a voluntary national organization of boys who are taking vocational agriculture. The purposes of FFA are to develop leadership, to encourage members in farming, and to build able men through competition and cooperation with others.

Some of the main projects of the FFA this year were the livestock and crop enterprises, the community service activities, and a number of contests.

This year the Montevideo Chapter of FFA was declared the state's best chapter and also received a gold emblem award at the National Convention in Kansas City.

The primary purpose of the Debate Club is to provide training in the areas of research and analysis to those who are interested and willing to work.

The students who represent our school on the interscholastic debate team are chosen from the club membership in official try-outs.

The highest hope of all Debate Club members is to produce a winning debate team for Montevideo.

PEP BAND

The Pep Band was organized primarily to help promote school spirit at football games. It is composed of 9 individuals who freely give of their time and talents. They have added body to all of the cheers and have helped the morale of the players.

But, most important, the Pep Band has helped produce in each student a deep feeling of pride for his school.

Girls' State and Boys' State are excellent sources for the purpose of learning more about the how and why of the functions of Virginia government. Sponsored by local Ruritan Clubs, Legion Posts, and Auxiliaries, three girls and three boys of the incoming senior class spend a week of their summer on a college campus associating with students from every area of the state. During the rigid course of this week, they become more aware of being better citizens and participants in their own government.

SENIORS HONORED IN "FANTASY of the SEA"

"Fantasy of the Sea" was vividly carried out with scenery of an underwater fantasy land. The '64 seniors were given a prom that will be long remembered.
